INFORMATION FOR YOUR TRAVEL TO OUR OFFICE IN CALI - COLOMBIA:

1. You will need an updated passport. If you are from other nationality that is not the U.S. please check with your airline if you need a Visa to come to Colombia or another type of passport.
2. Make sure you buy your tickets to fly to Cali - Colombia: Alfonso Bonilla Aragon (CLO) airport. (Not included in the price of the veneers).
3. The hotels we recommend are Spiwak, Intercontinental hotel, Dann Carlton, Sheraton Four Points, Marriot hotel in Cali. (Not included in the price of the veneers).
4. For security and convenience for you, we only recommend to take transportation with our driver Juan José Gómez (+57)3137566051. Don't forget to book your transportation with him one week before your appointment. (If your plan includes transportation, it will only be included for the patient who will get the dental treatment. If you don't have the transportation included there will be a charge).
5. Our government is asking for a Negative PCR COVID test 3-4 days before the flight, and you have to take one rapid test the day of the appointment to come back to your country. If you stay more than 3 nights you will be asked for another PCR test to come back to your country. Ask us where to take it.

6. You have to fill this customs form (Check Mig) 24 hours before the flight to enter the country and to flight back. United States is listed in Spanish (Estados Unidos). Don't forget to do this but only 24 hours before the flight, otherwise you will have problems to fly or maybe loose the flight. Remember, if for some reason you loose your flight and get late to my appointment or miss the appointment, you might have some extra charge because we will have to work overtime. So please check with your airline the customs requirements before coming.
